Offer Commercial objects, Commercial properties **Warehouse Logistics, Production, Office**

The well-maintained company premises have a total area of approx. 1600 sqm. The warehouse has a total area of approx. 210 sqm. Currently about 100 sqm are used as office space and about 110 sqm as storage space. The warehouse is fully equipped with heavy-duty shelves. There is a large roller door for delivery and delivery. The area in front of the hall is mostly paved; Accommodates approx. 50 cars

The company premises, because of the good location, is ideal for logistics companies, but also very interesting for craft and commercial enterprises. (washing plant, car dealership, car repair shop)

The possibility of additional development will make the property very interesting and you would have an additional option.

The property impresses with its good location (heavily frequented street) and is located in a well-connected mixed and commercial area.
