## Offer Corporate sales, firm sales, sales **Personnel services**

You come from the field of personnel services (mediation or hiring, i.e. ) and would like to become self-employed? Or do you run a human resources company and want to expand?

Then you are right here, for handover a personnel service provider is in the middle of .

I want to reorient myself professionally and therefore give up my business.

The company form is a GmbH and was founded over 1.5 years ago, unfortunately it did not harm us and our customers quite.

So far, we have been able to establish ourselves well.

Permission to leave the workforce is, of course, available.

The office space in the middle of , are very conveniently located.

The office is bright and modern.

Complete computer is available (computers, printers, phones, mobile phones).

PSA available (safety shoes, workwear,...)

The monthly fixed costs (â, -3,000) are absolutely manageable.

You can board immediately.
