Offer Corporate participation, firm participation

Restaurant

After more than 20 years of successful activity on the market, our gastronomy with an upscale ambience wants to develop further. This would be possible together with an active/silent partner, a strategic investor or as a partner who likes to participate passionately in the day-to-day operations and takes the opportunity to build up a new pillar with the necessary commitment. Experience in the catering/hotel industry is welcome, but not a must. The complete takeover of the company is also possible.

What to expect: In a prime downtown location, our restaurant is located on two floors plus a spacious outdoor terrace. Our concept is that we are a stylish restaurant that convinces both visually and qualitatively. Our regular customers as well as running customers appreciate the informal and pleasant atmosphere that invites you to linger.
