Business for sale more than 15 years

ID 23063

Look for Corporate follow-up, firm follow-up, follow-up **Metalworking**

We are looking for a business takeover in the field of sign lettering as soon as possible, mainly industrial customers. Happy to offer everything in the area of Schleswig-Holstein, Hamburg and the surrounding area. There are already machines available, so we are not beginners. It would be great if our ad would include owners who want to sell a business and are looking for a successor. If you feel addressed and have been looking for a suitable successor for a long time, then get in touch. We look forward to seeing you.
