Beauty salon

Sell my beauty salon with furnishings, goods, clientele and with a clear conscience that the new owner will be very successful with it. The studio is located in the north of Munich and is very easy to reach by public transport. Parking facilities are available in the immediate vicinity. The shop is located on the ground floor and has generous glass surfaces for outdoor advertising. The property includes a reception room, two treatment cabins, toilet, kitchen, storage room and a parking space in the underground car park.

I have been running the business for 19 years with steadily increasing sales. Now I want to retire and will leave Germany after the sale. Induction and immediate start possible.
