## Look for Corporate follow-up, firm follow-up, follow-up **Electronics / Cable Processing**

We are looking for a company to take over completely.

This company should be based in the electronics sector, or as an alternative in the wire processing industry (e.g. Cable assembly).

The company should be profitable and have a stable customer base, including products that need to be explained. On the one hand, the focus is on our own products, as well as on products that are manufactured by third parties.

Localization is of secondary importance for the time being.
