Business for sale more than 15 years

ID 24349

Offer Corporate sales, firm sales, sales

Bridal shop

My shop is run on approx. 100 m2 in Baden Württemberg. I am currently renting a retail space. You can take over the lease or terminate it without any problems and move the store to any location. There are no employees.

The store is run on a commission basis. The contracts and the shop fittings can be taken over.

The store is recommended through good word-of-mouth among customers.
