Real estate business

To complete a medical and commercial building, you are looking for a short-term loan or capital with a good return to deposit in a notary's account.

For this, we would offer either a very HIGH interest rate on the loan or a percentage profit sharing. The money would have to be available for about 6 months.

This is a concrete property in a very good location. A volume of €400,000 is required for this.
