

The big business marketplace

Business for sale more than 15 years

ID 24882

Look for Corporate co-operation, firm cooperation

Food production

We are looking for a production company from the food industry to cooperate in order to produce a vegetarian natural product.

This involves the production of a new food product in the field of convenience food.

The product is protected by trademark law and can be produced in several varieties.

The sales market is food retailing.

We are looking for a company from the food industry that has the necessary certificates for the production of food.

More information on request.

[Co-operation](#)

Region 40, Germany
