Cosmetics, pedicure

After several successful years, I am looking for a successor for my exclusive and established cosmetic institute in the heart of (very central location). My beautiful, modern, tasteful, high-quality furnished and always up-to-date institute offers many cosmetic services, has had a large, solid and loyal circle of regular customers for years and has therefore survived the difficult COVID period and through constant growth in new customers well. It is with a heavy heart that I am selling for private reasons and hope that I will find an equally passionate successor and with a clear conscience that the new owner will be successful. Also very suitable for newcomers, as the training is guaranteed. Immediate start and takeover during ongoing operations in 2024 is possible and desired. My premises are on the ground floor and are divided into 1.
