Tourism

The company operates small hotels and holiday units in unique locations close to the water on and in the Steinhuder Meer (Wilhelmstein Island). In addition, the company has successfully built up an event business on the Steinhuder Meer, operates two Gastronomy and has recently increasingly become a sales and service partner for owners of holiday properties.

Against this backdrop, the company's strategic goal is to further expand its existing business with a strong investor and to revitalize the destination of Steinhuder Meer.
