Short-term rental

We are looking for properties that are ideal for automated short-term rentals. We are interested in properties that we can take over as well as those that are available for lease. It doesn't matter where the properties are located; offers from all over the world are of great interest to us. If you have a suitable property or know someone who does, we would be delighted to hear from you. Please contact us by if you are interested.

Succession

Region 56, Germany

Entry in own name
