Offer Corporate sales, firm sales, sales **Financial coaching agency**

I hereby sell an established and successful coaching and training program to teach stock market trading and trading.

So far, the coaching program has always been conducted in 1zu1 sessions (online) or small groups.

So far, 99% of the coaching sessions have been carried out online, so high profit margins are possible due to hardly any costs worth mentioning. The company is not tied to a location due to the online training. An induction is a matter of course - even if I remain as a coach for the company.
