Business for sale more than 15 years

---

ID 25493

## Offer Corporate sales, firm sales, sales **Marketing Agency**

Successful marketing agency (corporation) is looking for a successor

The agency offers customer-specific solutions across all marketing and sales instruments.

Due to the

cross-instrument advice, customers recognise the joint efforts to find the best solution. In the area

market research, a software developed in-house is used.

As a result, the agency has gained a lot of regular customers can.

The management is supported by 12 employees and 8 freelancers.

Clients include companies from the DIY stores, financial services and engineering sectors, among others. Many orders have been running for several years.

The company generated sales of over €1 million in the past fiscal year.
