Classic Motorcycle workshop and online shop

To sell a successful brand that has existed for almost 40 years with reliable workshop utilization and a highly frequented online shop in exchange for taking over the inventory. Can be operated regardless of location.

We specialize in a range of models from the 70s and 80s. As a specialist workshop, our work is almost unrivaled. The vehicles are brought to us by our customers from Germany, Austria, Switzerland and other neighboring countries.

We repair and restore. Our network of global suppliers and remanufacturing companies reliably supplies us with the spare parts we need.

Our online shop has now been filled with over 8,000 items. There is still great potential for development and expansion here.
