## Offer Corporate sales, firm sales, sales **Cleaning Company**

The company was founded in in . The company is located in the region approx. 60 km from Munich. The office is located in a larger commercial area, where some well-known companies are already among our customers. The company was founded in on a part-time basis by founded by the current owners and was then founded in to the GbR. Already in January , after 6 months, our company became full-time operated and continuously expanded and expanded to this day. The company is located is privately owned and debt free. Because we always focus on the quality of our work and we also paid attention to reliability, we were lucky enough not to have any advertisements in this regard having to place advertising. Our company has grown only with the recommendations of Customers who were simply satisfied with the service. We also have ours to the same standard employees were given and also trained personally, so we can say not a single one Complaint still available today. The company today has a firm and solid Customer base with recurring sales and constantly growing potential. In addition, that our clients operate in several commercial areas and therefore have unlimited scope Profitability exists.
