Business for sale more than 15 years

ID 25837

Offer Corporate sales, firm sales, sales **Solar**

- +sales team
- +partner for roof
- +5 electricians
- +2 Office Workers
- +4mil.€ sales volume
- +4 Buses

The company is experiencing strong growth, and customer satisfaction is very high. The business can be further expanded through maintenance services, which are planned for the future. After the sale, the current management team would remain in the company and continue to lead its operations. Business plans, annual plans, and other strategic documents are available.

Revenue in 2025 is expected to reach approximately €6–7 million without the need to hire additional staff. All employees are highly trained professionals.

Serious inquiries only.
