Dear advertiser.

As a successful manager, I am looking for a company succession with active participation (possibly purchase on a pension basis).

For me, manufacturing companies as well as trading companies or crafts in Rhineland-Palatinate, Hesse and North Rhine-Westphalia would come into question.

To this end, I am looking for an entrepreneur who will continue his life's work - if necessary, as a minority shareholding - in the hands of a reputable successor in order to document the continuity towards employees and business partners.

I would like to discuss the modalities of the succession with you in a personal conversation.

I look forward to hearing from you for a mutual non-binding initial consultation.
