I am looking for an investor for a vehicle service provider. I sent to Grund and rented to vehicle service providers for seven years as a hire purchase option. The instalments had already been regularly exceeding € 25,000.01 for 13 months. My house bank does not want to provide me with the loan at short notice. That's why I would have to replace the 1.9 million. Of course, if an Investor is interested, I would cede the 25000 monthly. We are happy to discuss more details on the phone.
